Quality & Lean Consulting. Management. Trade.

Custom Training Programme

Duration: 1 to 10 days.

Description: We can build “à la carte” training programmes to suit your development needs. Willing to gear up a team of six sigma project managers? We will combine the quality and project management courses for the right information to be delivered. Preparing for a certification? We build preparation workshops to maximize your chances of success. Ask us for any combination!

Content: Build the content you need with our subject “bricks” of half days (with a minimum of 1 day):

Lean: from 0.5 to 1.5 days

Six Sigma: from 1 to 5 days

Project Management: from 1 to 5 days

Location: Course available in-situ (your premises) anywhere in the world. We can also organise trainings in Brussels or in Budapest (up to 20 students). For any on site training, a meeting or training room with projection device is required. Course language is English or French.

Prices: Starting as low as 450€ per day. Ask for a quote!

These prices are valid for a class of 10 students or less, on the premise of customer. Additional fees may apply for extra trainees. External courses can be organized on demand and for any number of trainee (seminars, training days). Contact us for a quote!
