

One Day - Essential Soft Skills

Duration: 1 day.

Description: The success or failure of a project relies on the capacity of the Project Manager to communicate, negotiate and interact with all stakeholders appropriately. Soft skills are keys to successful project management. This course will help participants assess their strengths and weaknesses and teach them techniques to improve their soft skills.

Each student will receive printed material with the course content and a signed certificate for the completion of the course. Information about Project Management certifications will also be provided.

Content: Communication principles. Negotiation. Stakeholders management. Team building. Talent management. Behaviour analysis self assessment.

Audience: The “One Day - Project Management Essential Soft Skills” course is designed mainly for project managers who want to improve their management performance through soft skills. No specific knowledge or qualification is needed to attend the course.

Location: Course available in-situ (your premises) anywhere in the world. We can also organise trainings in Brussels or in Budapest (up to 20 students). For any on site training, a meeting or training room with projection device is required. Course language is English or French.

Prices: 600€ to 1000€ depending on location and student number.

These prices are valid for a class of 10 students or less, on the premise of customer. Additional fees may apply for extra trainees. External courses can be organized on demand and for any number of trainee (seminars, training days). Contact us for a quote!
